

TILSNER CARTON COMPANY

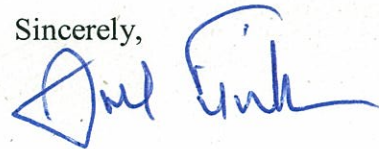

June 4, 2007

Steve Wilson has been a vendor to our organization in excess of twenty years, as a supplier of printing plates. Our business is extremely time sensitive, where being responsive is imperative. Steve has consistently serviced our needs, offering insight and advice along the way. He had a keen knowledge of his industry, and that helped him be a consistent success.

If you would like further information, please do not hesitate to contact me.

Sincerely,

Joel Tilsner
